

Summer Sessions 2011

Why should you enroll your child in MDS Summer Sessions?

THEY'LL HAVE FUN, BUT YOU'LL KNOW THEY'RE LEARNING.

Sessions offer a hands-on sampling of the Montessori curriculum:

- Morning sessions of academic enrichment, including hands-on geography, math games & problem-solving, reading, writing, music and movement.
- Afternoon sessions of arts exploration, science experiments, & crafts.
- Plus, "Water Days" and a smorgasbord of fun activities!

Enrolling in a session will:

- Develop independence and self-direction
- Encourage exploration of individual interests
- Enhance your child's school year Montessori education
- Ease the transition to the next grade or program level
- Increase focus and concentration with specialized movement activities

Plus, free extended care May 31-June 3 for returning MDS students who enroll in Summer Session !!!

Sibling discounts available!
