

Summer Program 2024

Come join us for a summer of discovery and fun!

Mornings

Each morning we'll delve into our Montessori Materials, finding new ways to learn and challenge ourselves. We'll play games with sounds and symbols, decode words and blends, and read with our vast collection of language materials and books. We'll play number recognition games, sequence, quantify, add, subtract, multiply, divide and more. And we'll explore the world with our own wide world of cultural materials.

SESSION I: Going Green & Animal Planet

Get ready to unravel the secrets of nature through hands-on activities and art projects. These two weeks will be all about embracing our creativity and wild side as we embark on an immersive journey to learn about all kinds of plants and animals. Get captivated as we unearth the magic of how plants grow along with the many different types. Then be prepared to run amok as we adventure to learn about animals from lions, tigers and bears (oh my!) to the animals we love in our homes.

SESSION II: Adventureland & Imaginarium

Gear up to unleash your sense of adventure and imagination because these two weeks are all about science, magic and danger! Put on a brave face as we learn all the steps detectives take to solve crimes. Test your toughness as we learn how to stay safe in dangerous situations. Then, we will pique children's curiosity as we put on our inventors caps to play scientist!

SESSION III: Legends & Storybook Land

Something mystical is coming to MDS! These two weeks will have children embarking on fantastical journeys through some of their favorite stories along with legends from other cultures. These two weeks will be full of themed crafts, reading stories, as well as watching the movie version. To top off the fun, children are encouraged to dress as their favorite characters!

SESSION IV: Travelers of Time and Land

These two weeks will have children traveling on airplanes to mysterious lands on top of hopping in time travel machines to discover times of the past. Children will be encouraged to dress according to the themes as we boogie on beaches and storm giant stone castles.

What a great way to end the Summer!
