Monthly Virtues

Forgiveness is to release our anger and hurt so that we can experience what is possible for others and ourselves as we make amends. It does not mean we condone the behavior, rather that we value our healing more than the need to be right.

Peacefulness is a sense of inner calm; it comes in moments of reflection and gratitude. Practicing peacefulness helps everyone around you feel calm and safe. It begins in your heart and spreads to the world.

Trustworthiness is being worthy of trust. People can rely on you to do your best, to keep your word and to follow through on your commitments. You do what you say you will do.

Helpfulness is being in service to others. Doing thoughtful things that make a difference in their lives. Offer help without being asked, ask for help when you need it. When we help each other we get more done. We make our lives easier.
